

Agency Life

A free life simulator in a living 3D city · Update 1.1 out now

THE GAME

Live a whole life in Agency City, a 3D city with traffic, buses, people, a harbor, day and night and four seasons. Start as a baby, a child, a teenager or at 18. Every year is one day: choices, messages and chances fill it, and holding "Go to Sleep" starts the next year. The whole game is played on an in-game phone.

HIGHLIGHTS

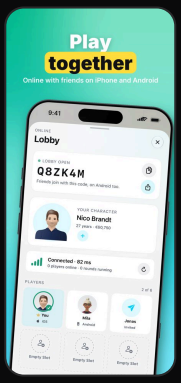

- **21 jobs** with their own shifts and minigames, from delivery driver to detective
- **Love and family:** flirt app, dates, wedding and children who carry on your legacy
- **The street:** heists, safes, hacking, police chases, court and prison
- **33 homes** furnished piece by piece in 3D, businesses and turf
- **83 achievements**, Game Center and Google Play Games

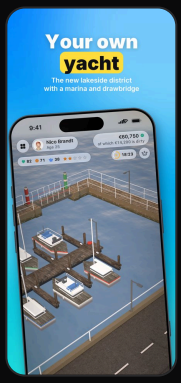

NEW IN 1.1

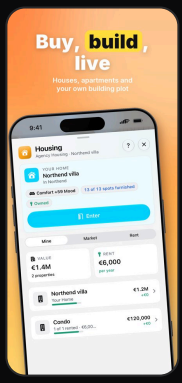

- **Online with friends** and **crossplay** between iPhone, iPad and Android
- **Online account** with Sign in with Apple, Google or Discord
- **Real estate:** buy, rent out and build on your own plot
- **Shops, stock market** and a tax office
- **Two new districts** with a marina, a drawbridge and your own yacht
- **Pets in 3D**, gardens, pools, street races, sandbox mode, new tutorial
